Web Address**Web Headline (Six or fewer words) ?****Abstract Checklist****1. Overall Readiness (check all)**

- ☒ I have checked the abstract carefully and believe it to be free of typos, misspellings, and grammatical errors and is ready to be submitted for review
- ☒ I have followed the guide for submitting abstracts to the proposed meeting

← Read and check all boxes in 1 and 2.

2. U. S. Geological Survey affiliation (check all)

- ☒ I have included the appropriate U.S. Geological Survey affiliation byline for all Unit scientists and other USGS scientists

↙

- ☒ I have not identified non-federal university students, Post Docs or technicians as U.S. Geological Survey employees

3. Issues related to policy and political sensitivity (check all that apply)

- ☐ This abstract makes specific policy or management recommendations for which the authors might be held accountable
- ☐ This abstract refers to, or is likely to influence or impact, USGS, DOI or other federal policies, laws or practices
- ☐ This abstract refers to, or is likely to influence or impact, state agency or other cooperator policies, laws or practices
- ☐ This abstract is likely to have significant economic implications for public policy or commercial interests
- ☐ This abstract contains materials that might be publicly or politically sensitive

← Check with me if you are tempted to check any of these boxes.
